MOST IMMEDIATE

No. 2(2)/2008/D(Air-II)
Government of India
Ministry of Defence

Dated the 28th December 2008

OFFICE MEMORANDUM

Subject: Request from Gulbarga Airport Developers Pvt Ltd and Shimoga Airport Developers Pvt Ltd for NOC for development of Gulbarga and Shimoga airports, Karnataka

The undersigned is directed to refer to the subject cited above and to say that comments of this Ministry were forwarded to Ministry of Civil Aviation vide MoD O.M of even number dated 8th April 2008. This issue came up for discussion in the first meeting of the Steering Committee held on 13th June 2008. In principle approval of the Steering Committee was granted to set up airports at Gulbarga, Bijapur, Hassan and Shimoga subject to the condition that SOP would be formalized between DGCA, AAI and Ministry of Defence regarding air space management for the airports at Gulbarga and Bijapur in view of the existing defence operations at Pune and Udaipur.

2. It is reiterated that this Ministry has no objection to the proposed airport at Shimoga subject to the conditions specified in MoD letter of even no. dated 8th April 2008. So far as the proposed airport at Gulbarga is concerned, a Standard Operating Procedure (SOP) for airspace management between AAI and IAF needs to be formulated as decided by the Steering Committee. Since the Air Traffic Service (ATS) at the proposed airport would be provided by AAI, they may be requested to forward a draft SOP on airspace management to Air HQ. Final recommendations/comments on the proposed airport at Gulbarga would be forwarded on formalization of SOP between AAI and IAF.

Subject: Construction of Greenfield Airports at Gulbarga, Shimoga, Bijapur and
Hassan, Karnataka
Sir,

1962
11/6/08

I am directed to inform that the Steering Committee on Greenfield Airports, in its meeting held on June 13, 2008 considered the proposals of the Government of Karnataka to set up airports at Gulbarga, Bijapur, Hassan and Shimoga and granted "in-principle" approval to these four projects subject to the conditions that Standard Operating Procedure (SOP) would be formalized between DGCA, AA1 and Ministry of Defence regarding air space management for the airports at Gulbarga and Bijapur in view of the existing defence operations at Pune and Bidar. The project authorities may approach the DGCA for issue of aerodrome license

Yours faithfully
